

Ponteland Runners Safeguarding Policy Statement

Ponteland Runners Safeguarding Policy sets out our belief in and commitment to safeguarding and protecting all children and adults at risk involved in running or running or triathlon, safeguarding their welfare and protecting them from all forms of abuse and neglect. This is not just our responsibility but that of everyone involved in running or running or triathlon at all levels to ensure that children can enjoy themselves in a safe and non-threatening environment.

Ponteland Runners considers the safety and wellbeing of children and adults at risk as central to our values. All concerns must be acted upon and reported immediately. Where there are concerns and disclosures of abuse against children or adults at risk, we will prioritise the wellbeing of the child or adult at risk and act in accordance with all relevant UK legislation and guidance. Poor practice will be taken extremely seriously and viewed as a breach of our safeguarding policy.

The Ponteland Runners Safeguarding Policy applies to and is mandatory everyone involved in Ponteland Runners . Failure to comply with this policy will be addressed without delay in line with the club's disciplinary procedures and may ultimately result in dismissal or exclusion from Ponteland Runners.

For the purpose of this policy we use the following definitions:

An adult at risk is an individual aged 18 years and over who (Care Act 2014):

- (a) has needs for care and support (whether or not the local authority is meeting any of those needs) AND;
- (b) is experiencing, or at risk of, abuse or neglect, AND;
- (c) as a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

Ponteland Runners Safeguarding Policy

- Every child and adult has the right to express views on all matters that affect them

In order to minimise the risk of abuse, our policy is built on the following principles:

- We have a responsibility to promote the welfare of all children and adults at risk to keep them safe and to practise in a way that protects them.
- The welfare of the child and adult at risk is paramount and must be prioritised at all times.
- No one should ever experience abuse of any kind
- Safeguarding is everyone's responsibility and everyone must act appropriately, and report concerns. Doing nothing is NOT an option and all concerns must be reported. All organisations and individuals involved in running or triathlon must understand and accept their responsibility to report concerns to the appropriate officer.
- All children and adults at risk, regardless of age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation have an equal right to be treated with respect and dignity.
- Everyone should be encouraged to express their views in matters affecting them and these views must be valued.
- All allegations, suspicions and concerns of poor practice, harm or abuse will be taken seriously and responded to swiftly, fairly and appropriately.
- We recognise the role and responsibilities of the statutory agencies in safeguarding children and adults at risk and are committed to complying with local and national safeguarding procedures. All concerns and disclosures that indicate illegal action will be reported to external authorities.

We recognise that:

- Working in partnership with children and adults at risk, their parents, carers and other agencies is essential in promoting children's welfare
- Some children and adults at risk are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues
